THE IDEA

Live music that comes to you

Espresso Concerts is not a concert-hall format. It is a mobile live-music format for cultural venues, receptions, hotels and special occasions — professional, intimate and shaped around your space, audience and occasion.

Opera, Italian song and Argentine tango — performed live and shaped around your occasion.

THREE FLEXIBLE FORMATS

15^{MIN.}
OPENING

A short musical impulse for a welcome, a reception or the start of a meeting.

25^{MIN.}
INTERLUDE

A focused concert moment as a pause between the parts of a day.

40^{MIN.}
CONCERT

A complete short concert across all three musical worlds.
